

Service on Most Makes, Advice on all.

We work on most brands including:

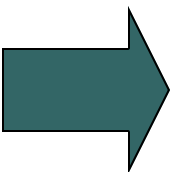

- | | | | |
|-----------------------|-------------|--------------|-----------|
| *Ecowater* | *Culligan* | *Hydrotech* | *Kenmore* |
| *GE* | *Novateck* | *Home Depot* | *Fleck* |
| *Petwa* | *Autotrol* | *Stenner* | *Duro* |
| *Pumps and Softeners* | *Watergroup | | |

MOST MAJOR MANUFACTURERS WILL HAVE THEIR BRAND NAME, MODEL AND SERIAL NUMBER CLEARLY LABELED.

However, some of the equipment that has been installed in this area either has no brand name, or may be private labelled. If your equipment does not have a brand name or it is not listed above, take a look at these pictures to see if it looks familiar.

Many repair parts are in stock, but if not, we can generally order them.

Water System Inspection

- ◆ Is your water conditioning equipment working like it should be?
- ◆ Is your water quality as good as it should be?
- ◆ Is your equipment wasting money?
- ◆ Is your water safe?
- ◆ Do you know how often the equipment should be serviced?
- ◆ Do you know how to service it or who to call with problems?

A water treatment system needs maintenance. Depending on the components, the maintenance can be frequent. If your system is not maintained properly, your treated water can be worse than your raw water. **There is even potential to grow bacteria in an improperly maintained system.**

- ◆ The more common the equipment brand, the more thorough our evaluation will be.
- ◆ **"Call us TODAY and mention this coupon to arrange your Check Up"**

COUPON

This coupon may be redeemed for a complimentary Water System Inspection. During the inspection, we will test the water, determine if the equipment is working properly, and explain operation and maintenance .

- ◆ **You must confirm coupon when inspection is arranged and coupon presented at start of inspection.**
- ◆ If the brand is unfamiliar, we will still test the water to see if it is working properly.
- ◆ One Water System Inspection per year per location per person.
- ◆ Local trading area only.
- ◆ **Minimum Value is \$80.00.**
